Prima Games Staff, Alex Musa, David HodgsonThich item does not belong on this page. Thanks, let's take a look. archive.org/detail...Page 2archive.org/detail... FlagView History Witcher 3: Wild Hunt Wiki Strategy Guide offers complete instructions for each major Quest and Side Quest, a complete list of console commands and cheats, detailed interactive maps, along with hidden treasure guides, Monster Hunts, Alchemy, Crafting, upgrades, and much more. Witcher 3: Wild Hunt is available on PC, PlayStation 4 and Xbox One and was released on May 19, 2015. The late Complete Edition port arrived on the Nintendo Switch on October 15, 2019. The Witcher 3: Wild Hunt is the third installment of a fantasy-RPG series based on a series of novels by Polish author Andrzej Sapkowski that have also been adapted into a Netflix witcher show. The game contains a massive open world, a sprawling story and easily 100 hours of content based on exploring the world and meeting its inhabitants. Witcher 3 continues Geralt's story after the events of The Witcher 2, which finds the Northern Empire under attack by nilfgaardian occupying forces. He receives a mysterious letter from his former lover, waitress Yennefer of Vengerberg. Geralt sets off on a quest to find Yennefer, who will cover continents and reunite him with his lost protégé Ciri. Do you need a hand to complete one of the Witcher 3 Major Quests or Side Quests? Or simply want to find out how games Big Choices and Vary? Well, we have you covered in our detailed instructions below. We've created our own interactive maps for all the highlights in The Witcher 3: You can use the map to track and filter places and treasures, and use our check mark feature to mark things you've already completed. Need a hand to understand some of the game's core mechanics? Our tips and tricks page will have you an expert in no time at all. Witcher 3: Wild Hunt Tips and Tricks Sprout 3 is full of hidden and secret treasure locations. Fortunately, we have made the process of finding these sites as easy as possible in our detailed manuals below. From unlimited money to a unique friction item, we have listed every Console Command and Cheat that is currently available in Witcher 3 below. From upgrading your character's skills to crafting weapons and armor, our How-To guides will teach you everything you need to know. Showing 1-30 Start your review on Witcher 3: Wild Hunt - Prima Official Game Guide This strategy guide seriously makes me angry. Several times I got stuck or wanted to look for collectible items that were not obvious, I had to consult youtube. A lot of misspelled words and just bad information. Do you know what would be useful instead of listing which ingredients you needed for bomb/potion recipes? SHOWS WHERE TO FIND RECIPES. And it really makes me irrationally angry: Especially since Gwent cards are sorted by Close Combat, Range Unit, then Siege Unit. Last time I did this strategy guide seriously makes me angry. Several times I got stuck or wanted to look for collectible items that were not obvious, I had to consult youtube. A lot of misspelled words and just bad information. Do you know what would be useful instead of listing which ingredients you needed for bomb/potion recipes? SHOWS WHERE TO FIND RECIPES. And it really makes me irrationally angry: Especially since Gwent cards are sorted by Close Combat, Range Unit, then Siege Unit. The last time I checked long it wasn't written by Longe. And the one with the lower letters, the tight fight makes me see red. I'm on my second playthrough on Death March and I have better information from the internet. Thanks a lot, strategy guide, you're basically worthless. ... read more June 10, 2015 Diana posted a video review pt 1 review pt 2 have a deluxe one with Grimoire which I am currently reading ^.^Grimoire read! ^.^ It's amazingly good as the guide is. I mark it as read, eventhough I haven't read all the guides because I only consult it from time to time because I have no desire to spoil the game for me. But I did look at it the amount of information it has is amazing, is reviewing the results, rewar video review pt 1 review pt 2 have deluxe one Grimoire, which I am currently reading ^.^ Grimoire read! ^.^ It's amazingly amazing such as a guide. I mark it as read, eventhough I haven't read all the guides because I only consult it from time to time because I have no desire to spoil the game for me. But I take a look at it and the amount of information it has is amazing, and it checks the results, rewards from quests, etc. I really enjoy it. ... read more June 11, 2015 Nico rated it really liked recommended for: players, witcher fans This book was -very-helpful when playing Witcher 3. The game is not very good at explaining its own mechanics at the beginning, so this book helped fill in the gaps. I've also stuck a few times and this book has been very helpful in getting unstuck. Being able to read all the endings without having to play the game 3+ times was an extraordinary time saver. (to give you some idea, it took me almost 450 hours to do absolutely everything that was done in the game) I would not recommend it and this book was -very-useful in playing Witcher 3. The game is not very good at explaining its own mechanics at the beginning, so this book helped fill in the gaps. I've also stuck a few times and this book has been very helpful in getting unstuck. Being able to read all the endings without having to play the game 3+ times was an extraordinary time saver. (to give you some idea, it took me almost 450 hours to do absolutely everything that was done in the game) I'd recommend it if you want to go to spoiler for free, but if like me you want to have a little helping hand before you play, it's a very good resource. It comes with a code for the e-book version that is probably more topical, but I've never used it. ... more 21.ridiculous 2015 Kai rated it really liked, what can I say? It's well organized, carefully constructed and quite binding for launch. Definitely a nice companion piece for witcher enthusiasts.
